

COMPANY PROFILE

MYTILINEOS Group was established in 1990 and evolved from a family metallurgy business, founded back in 1908, to one of the leading Industrial business Groups in Greece.

With more than 2.500 employees and a turnover that surpassed the €1.4 billion for 2012, the Group is an eminent European business Group in the sectors of Energy, Metallurgy and Construction, listed on the Athens Stock Exchange since 1995 and its share included as a constituent of the FTSE-25 large-capitalisation index.

In regards to the Construction sector, METKA S.A. is the spearhead of the Group's activity, constituting Greece's top EPC (Engineering – Procurement – Construction) Contractor, undertaking implementation of turn-key projects, and, most importantly, a competitive international player in the construction of large scale energy projects.

In the Metallurgy sector, with ALUMINIUM S.A., the Group operates the largest vertically integrated aluminium and alumina produced in the EU, along with DELPHI – DISTOMON, the second largest beauxite producer in Greece and in Europe, also a subsidiary of MYTILINEOS Group.

As far as the energy domain is concerned, in the last ten years, MYTILINEOS Group has evolved in the dominant independent power producer in Greece, with a unique portfolio of energy assets of PROTERGIA S.A., while since 2010 is also active in the supply and trading of natural gas through M&M Gas.

REVENUES ANALYSIS (in € 000)

Revenue analysis indicates that 47% of the Consolidated Turnover refers to exports (mainly to EU countries and Turkey).

KEY INVESTMENT HIGHLIGHTS

The MYTILINEOS Group is steadily focused on creating value over time for its shareholders and for society-at-large. Consistent in its social role, the Group actively supports major educational initiatives and cultural projects, provides assistance to important social issues and promotes initiatives regarding the development of local infrastructure. The Group's core priority and strategic choice is responsible growth coupled with the harmonious co-existence of corporate activities with the social and natural environment.

FORTHCOMING PROJECTS/ INVESTMENTS – BUSINESS PLAN HIGHLIGHTS

MYTILINEOS GROUP, having completed the first phase of its demanding investment program in the Energy sector, establishes itself as the largest IPP in Greece, securing the 2nd position in the domestic electricity market next to PPC.

RECENT DEALS

03-01-2013 Alouminion S.A., a subsidiary of Mytilineos has signed with Swiss-based multinational Glencore a contract for the sale of 75,000 tons of aluminium in billets and slabs for a total price of \$200 million. These quantities will be exported to the European and U.S. markets from January 2013 to June 2014. The contract confirms the Group's strong export orientation and stresses the important role of the aluminium industry in Greece.
