COMPANY PROFILE

F.G. EUROPE S.A. was founded in 1958 and listed on the Athens stock exchange in 1968. Activates in the import and wholesale of long living consumer goods and especially of consumer electrical appliances like air – conditioners for domestic and professional use, white electrical & electronic appliances, brown goods and small appliances.

The Company is the exclusive distributor of **FUJITSU GENERAL Ltd** (Fujitsu, General, Fuji Electric) in ten countries of south-eastern Europe (Greece, Bulgaria, Albania, FYROM, Serbia, Montenegro, Bosnia Herzegovina, Romania, Turkey and Italy for the General products). In Greece the company is the market leader on the air – conditioners market.

Since the end of 2005, the Company is the exclusive distributor of Consumer Electronics under the brand name **SHARP** in Greece, providing a wide range of white electric and electronic appliances, as well as a complete range of No frost refrigerators and microwave ovens. The Company also distributes a full range of consumer electronic appliances under its own brand name **ESKIMO**. In May 2012, FG Europe announced an exclusive distribution agreement with **MIDEA Group**, a leading manufacturer in air-conditioning systems and home appliances based in China, for the Greek market, in order to provide mainly air conditioners and a variety of white electric and electronic appliances.

The Company is certified according to ISO 9001/ 2008 Standards.

The Company's subsidiaries, **FIDAKIS LOGISTICS S.A.** and **FIDAKIS SERVICE S.A.** cover supplementary fields like inventory management (logistics) and services respectively. Through its subsidiary **R.F. ENERGY S.A.**, the Company activates in the Energy Production from renewable energy sources since 2006.

EXPORTS

The Company successfully manages the distribution of products (air conditioners) of **FUJITSU GENERAL Ltd** (Fujitsu, General, Fuji Electric), in the abovementioned ten countries of south-eastern Europe. The Company's exports present a constant upward trend, accounting for 70% of its total sales in 2011, compared to 60% and 34% of its total sales in the fiscal years 2010 and 2009 respectively.

KEY INVESTMENT HIGHLIGHTS

The Company holds the leading position in the air conditioners market in Greece.

The company presents sufficient profit margins in the markets of its interest.

Management's principal goal is the continuous expansion of the Company's activities in foreign markets, where it operates, with a view to increase its current ratio of sales "abroad – domestic" (70/30), facing with outward the crisis in the internal market.

Constant exploration for new markets (2008: Turkey) and new opportunities (2012: Midea Group).

Focused on emerging, highly profitable fields of activity (Renewable Energy Sources).
