The Report shall remain available on the Bank's website for a time period of ten (10) years, in accordance with Law 4548/2018.

Pursuant to Article 112, paragraph 3 of Law 4548/2018, the shareholders' vote on the submitted Remuneration Report is advisory.

12. Approval for partial resolution of taxed reserve formed in accordance with Article 48 of Law 4172/2013, with total amount of €508,368,162.62 for distribution to shareholders and to eligible personnel of the Bank.

Required quorum:	1/5 of total common(*) voting shares
Required majority:	50% of the total voting rights (present or represented by proxy) + 1 (present or represented by proxy)

The Board of Directors proposes to the AGM for approval the partial resolution of taxed reserve formed in accordance with Article 48 of Law 4172/2013, with total amount of €508,368,162.62 and its distribution to the Bank's shareholders and to eligible personnel of the Bank as a bonus payment.

The relevant reserve is reflected under the General Ledger Account 41.05.02.00.00 with title "Taxed reserve formed in accordance with Article 48, Law 4172/2013" which is free for distribution or capitalization. The reserve is presented under "Reserves and retained earnings" line in the Statement of Financial Position and in "Other reserves" column in the Statement of Changes in Equity.

The amount proposed for distribution in cash is analyzed as follows:

- a) For distribution to the Bank's shareholders: €332,000,000 (or €0.36 per share).
- b) For bonus payment to eligible personnel: up to €20,500,000. Following the approval by the Annual General Meeting of the Bank, the exact amount per beneficiary, will be paid according to the variable remuneration scheme approved by the Board of Directors, the regulations and the procedures of the Bank, under the coordination of the competent Human Resources Unit.

The above decisions will be implemented by the competent Bank Units.

Furthermore, the General Meeting is asked to authorize the Board of Directors or/and executive members of the Board of the Bank in order to be able to arrange, if required, any other detail and to take any other steps that might be needed, for the implementation of this decision.

13. Amendment of the program for the purchase of own shares in accordance with article 49 of Law 4548/2018, as in force.

Required quorum:	1/5 of total common(*) voting shares
Required majority:	50% of the total voting rights (present or represented by proxy) + 1 (present or represented by proxy)

On 28 July 2023, the AGM approved a Program for the free distribution of shares of the Bank to Senior Management executives or/and staff of the Bank and its affiliated companies, in the context of Article 32 of Law 4308/2014, in accordance with the provisions of Article 114 of Law 4548/2018 (Stock Award Program).

To satisfy the Stock Award Program and specifically the shares to be awarded under this Program, the aforementioned AGM approved the establishment of a program for the purchase of own shares by the Bank with a maximum acquisition of shares up to 1.5% of the total outstanding shares, i.e., up to 13,720,727 shares, to be acquired over a period of 24 months as from the date of the AGM, i.e., through to 28/07/2025. Furthermore, according to the said decision, the approved price range for the purchase of own shares is €1.00 - €15.00, and the total cost of the program should not exceed €30,000,000.

The Board of Directors proposes to the AGM of 2024 to increase the total cost of the Program for the purchase of own shares from €30,000,000 to €40,000,000, i.e., an increase of €10,000,000. The rest of the terms of the program will remain unchanged.

Specifically, the proposed increase of the total cost of the Program for the purchase of own shares by €10,000,000 satisfies the distribution of free shares of the Bank in the context of the established Stock Award Program by the AGM of 2023. The good performance of the economy and the Bank led to a higher share price compared to the share price during the respective period in 2023. Therefore, although the maximum shares to be awarded under the established Stock Award Program remains the same, i.e., up to 13,720,727 shares, the proposed increase of the total cost of the Program for the purchase of own shares, which satisfies the Stock Award Program, is necessary to respond to the corresponding increase in the share price.

The share buy-backs will be carried out as long as current economic conditions permit and in accordance with the applicable legal and regulatory framework.

According to the above, the Program for the purchase of own shares by the Bank will have the following characteristics: the proposed maximum acquisition of own shares is up to 1.5% of the total outstanding shares, i.e. a maximum of 13,720,727 shares, with a price range for the purchase of own shares of €1.00 - €15.00, the total cost of the program shall not exceed €40,000,000, and the acquisition to be able to take place over a period of 24 months as from the date of the AGM of 2023 (28/07/2023), i.e., through to 28/07/2025.

The Program will be implemented in accordance with the above terms by the competent Bank Units (indicatively Finance and Treasury Units), while further the General Meeting is requested to authorise the Board of Directors to arrange, as it sees fit, any other potential detail in case required and generally to be able to proceed to any potential further steps that may be required for the implementation of the above Program, appointing proxies of its choice as may be further required for the implementation.

The buy-back by the Bank of own shares shall be implemented in compliance with the applicable legal and regulatory framework, acquiring all the necessary regulatory approvals and especially HFSF's and ECB's approval in accordance with article 16C of L.3864/2010 and article 77 of Regulation (EU) No 575/2013.

Each common share is entitled to one vote.

The Hellenic Financial Stability Fund participates in the General Meeting as per Law 3864/2010, as applicable.

Shareholders that do not comply with the deadline in par. 4 of article 128 of Law 4548/2018, i.e., that do not submit in writing or by electronic means the appointment of proxies or representatives to the Bank at least forty-eight (48) hours before the appointed date of the General Meeting, participate at the General Meeting unless the General Meeting refuses this participation for good reason which justifies this refusal.

PARTICIPATION PROCESS AND VOTE BY PROXY

I. Shareholders may participate in the AGM and may vote either in person or by proxy. Each shareholder may appoint up to 3 proxy holders. However, if the shareholder owns shares in the Bank that are held in more than one Investor Securities Account, such limitation shall not prevent the shareholder from appointing, in respect of the AGM, separate proxy holders for the shares appearing in each Account. A proxy appointment can be freely recalled. A proxy holder holding proxies from several shareholders may cast votes differently for each shareholder.

Shareholders may appoint a proxy for one or more General Meetings and for a specific period of time. The proxy votes in accordance with the shareholder's instructions, if there are any. Non-compliance by the proxy with the instructions received does not affect the validity of the decisions of the General Meeting, even if the proxy's vote was decisive in achieving the majority. The shareholder's proxy shall file the voting instructions for at least one (1) year from the date of the Annual General Meeting or the Repeat General Meeting.

Before the AGM commences, the proxy holder must disclose to the Bank any particular facts that may be of relevance for shareholders in assessing the risk that the proxy holder may pursue interests other than those of the shareholder. Within the meaning intended in this paragraph, a conflict of interest may arise in particular when the proxy holder: (i) is a controlling shareholder of the Bank or is another legal person or entity

controlled by such shareholder; (ii) is a member of the Board of Directors or in general the management of the Bank, or of a controlling shareholder or another legal person or entity controlled by such shareholder; (iii) is an employee or an auditor of the Bank, or of a controlling shareholder or another legal person or an entity controlled by such shareholder; (iv) is a spouse or close relative (first degree) of a natural person referred to in (i) to (iii) hereinabove.

The appointment and revocation or replacement of a proxy holder shall be made in writing or by electronic means that are submitted to the Bank at least forty-eight (48) hours prior to the date of the AGM. Notification of the appointment and revocation or replacement of the proxy by electronic means is done by electronic mail at the email address on the Invitation to the General Meeting, or in case of shareholders that are identified through intermediaries, through confirmations or notices of articles 5 and 6 of Regulation (EU) 2018/1212, which are provided by the intermediary.

II. Specifically for shareholder participation by proxy at the Annual General Meeting on 25.07.2024 (or the Repeat Meeting thereof), remotely in real-time by teleconference, or for shareholder participation by proxy at the vote on the items of the Annual General Meeting that will take place before the General Meeting, Shareholders or Participants in the Securities Accounts in the DSS or other intermediary that provides custody services for the shares of the Bank, can appoint up to one (1) proxy, whose appointment must be made at least forty-eight (48) hours before the date of the General Meeting (i.e. by 11.00 am on 23.07.2024 at the latest and for the Repeat Meeting by 11.00 am on 29.07.2024 at the latest).

Upon receipt of the information above by the Bank and based on the email address and mobile telephone of the proxy, as declared in the proxy document, an account is created for the proxy on the internet platform; the proxy is informed by email in order to activate the account in order to exercise the rights of the shareholder in accordance with what is referred to in B. and C. above.

The Bank has made available documents:

- a) To appoint a proxy to participate in the Annual General Meeting of Shareholders on 25.07.2024, remotely in real-time by teleconference; and
- b) To appoint a proxy to vote on the items of the Annual General Meeting that will take place before the General Meeting.

These documents are available to shareholders in hard copy through the Bank's branch network, and in electronic form on the Bank's website (<https://www.nbg.gr/en/group/investor-relations/general-meetings-all-data>).

The appropriate document must be filled-in, signed, with the signature authenticated, and filed with the Bank's Subdivision for Shareholder Register, General Meetings and Corporate Announcements (ground floor, 93 Eolou St., 10551 Athens, Greece) or any branch of the Bank's network, or sent by fax to +30 2103343410 and +30 2103343095, or digitally signed by using a recognized digital signature (qualified certificate) by the representative of the shareholder or the shareholder by e-mail to

GIANNOPOULOS.NIK@NBG.GR at least forty-eight (48) hours prior to the date of the General Meeting. Shareholders are requested to confirm the successful dispatch of the appointment in writing and receipt by the Bank and may contact by telephone for this reason: +30 2103343460, +30 2103343419, +30 2103343422 and +30 2103343411 (Bank's Subdivision for Shareholder Register, General Meetings and Corporate Announcements).
