

Announcement

Athens, Greece – August 6, 2024 – METLEN’s Energy & Metals management team, with respect to the shareholders and the wider investment community, in accordance with the Regulations (EU) 596/2014 of the European Parliament & Council and the Capital Market Commission, informs the market that recent media publications, regarding a potential merger between the construction arms of Metlen and AVAX groups do not reflect reality being completely unfounded.

This announcement is issued following a relevant inquiry from the Capital Market Commission.
