Brussels, 14 January 2025

The enclosed information constitutes regulated information as defined in the Royal Decree of 14 November 2007 regarding the duties of issuers of financial instruments which have been admitted for trading on a regulated market.

PRESS RELEASE

Forced sale of fractional balances of transferable securities

Cenergy Holdings (hereinafter referred to as the “Company”) announces to the investment community that, following the approval by the Athens Stock Exchange (hereinafter referred to as “ATHEX”) of the Company's application to sell shares that resulted from fractional balances, in accordance with the provisions of par. 4, article 7 of Law 4569/2018, as now in force, and article 2.3.13.2.2.2 of the ATHEX Rulebook, the Company will proceed with the forced sale of 1,161 shares.

The said shares (fractional balances) will be sold during the period from 27/1/2025 until 26/2/2025.

“NBG SECURITIES” is the member of ATHEX that has been appointed to carry out the forced sale.

Upon completion of the forced sale of the shares, the Company will inform the investment community about the results of the forced sale, as well as the payment to the beneficiaries of the proceeds of the forced sale.

For more information, shareholders may contact the Investor Relations Department (tel. +30 210 686 11 11, ir@cenergyholdings.com).

About Cenergy Holdings

Cenergy Holdings is a Belgian holding company listed on both Euronext Brussels and Athens Stock Exchange, investing in leading industrial companies, focusing on the growing global demand of energy transfer, renewables and data transmission. The Cenergy Holdings portfolio consists of Corinth Pipeworks and Hellenic Cables, companies positioned at the forefront of their respective high growth sectors. Hellenic Cables is one of the largest cable producers in Europe, manufacturing power and telecom cables as well as submarine cables. Corinth Pipeworks is a world leader in steel pipe manufacturing for the energy sector and major producer of steel hollow sections for the construction sector.
