GEK TERNA Motorways – Traffic data 2024

GEK TERNA Group (Bloomberg: GEKTERNA GA / RIC: HRMr.AT) announces key traffic data for its main operating motorways for 2024.

Total toll transactions on Nea and Kentriki Odos motorways for 2024 came at 60.6m compared to 55.8m for 2023. Regarding the period October-December 2024, total toll transactions reached 15.2m compared to 13.7m for the corresponding period of 2023.

Recall that as of 6.10.2024, GEK TERNA Group (through its subsidiary Nea Attiki Odos) took over the management of the motorway of Attiki Odos. For the period October-December 2024, total toll transactions amounted to 25.8m compared to 24.4 m for the corresponding period of 2023, with the average daily traffic (ADT) amounting to approximately 280.1k. For the full year 2024, total toll transactions reached 100.2m compared to 94.7m for 2023, with the average daily traffic (ADT) amounting to 273.8k.

Nea & Kentriki Odos	FY 2023	FY 2024	4Q 2023	4Q 2024
Total toll transactions (m)	55.8	60.6	13.7	15.2

Attiki Odos	FY 2023	FY 2024	4Q 2023	4Q 2024
Total toll transactions (m)	94.7	100.2	24.4	25.8
ADT (000's)	259.2	273.8	265.6	280.1
